

Choosing the Right Ring Size

THE SECRET TEST

PRINT OUR CHART OF RING SIZE CIRCLES AT 100%

Find a ring that your loved one currently wears, make sure that he or she wears that ring on the finger that you are shopping for.

Place their ring on top of each circle below until you find the perfect match!

THE STRING TEST

Use a piece of string or dental floss and wrap it around the base of your finger. Use a pen to mark the point on the string where the end meets - measure the string. Choose the closest millimetre measurement to the chart above to find your ring size.

Please note, all Metamorphosis ladies' rings are available in standard size N.

Not all rings can be resized up or down.

If they can, we recommend a maximum of two sizes up or down.
